1. The fixtures are scheduled for Tuesday & Wednesday @ 7:10pm. There is flexibility to amend this by agreement between the teams. Fixtures must, however, be played by the Sunday after the scheduled date.
2. Because we are playing later in the year than the normal WPA league, we will probably need floodlights for evening games. We will, therefore, play on Pistes 1 & 4 and Pistes 2 & 5 will be blocked out for general use on Tuesday & Wednesday evenings from 7pm.
3. If you reschedule a fixture for another evening, please let Bernard know the details as soon as possible so that piste reservations can be made.
4. If you reschedule a fixture for the daytime, the "Home" team captain should book 2 pistes and email the names of all 8 players to Bernard.
