# 2023/24 Monkstone PC Super League

## RULES

1. The rules of the competition will be generally as the 2023 WPA League where not amended below.
2. The fixtures are scheduled for Tuesday, Wednesday & Thursday @ 7:00pm. There is flexibility to amend this by agreement between the teams. Fixtures must, however, be played by the Sunday before the next scheduled round.
3. There will be break between Round 5 & 6 - Round 5 must be completed by 5 November 2023 and Round 10 must be completed by 24 March 2024.
4. Because we are playing later in the year than the normal WPA league, we will need floodlights for evening games. Fixtures will, therefore, be played on Lanes 2 & 3.
5. If a fixture is rearranged to another date which **IS NOT** a scheduled Super League night, the Super League will take precedence over any other games and will be played on Lanes 2 & 3 as above.
6. Notwithstanding Rule 5 above, if a Super League game is scheduled for Monday or Friday morning it will not take precedence over the normal roll-up and will be played on Pistes 15 & 16.
7. If a fixture is rearranged to another date which **IS** a scheduled Super League night and the scheduled fixture is taking place, the rearranged fixture will take precedence over any other non-Super League games and will be played on Lanes 5 & 6.
8. If any fixture is rescheduled for a date/time other than the scheduled date/time, please let Bernard know so that he is kept up to date with when games are being played. He will then advise if any other fixtures are being played on that date and confirm which lanes you are to play on i.e. 2 & 3 or 5 & 6.
9. Results should be submitted via the Monkstone PC Website using the link on the website **within 2 days of the fixture taking place.**
